

CURRICULUM VITAE

Name: Matty DEMONT (PhD) m.demont@cgiar.org
Born: 11 November 1973, Bornem (Belgium)
Address: Africa Rice Center (AfricaRice), B.P. 96, Saint-Louis, Senegal
Tel.: +221-33-962-64-93; Fax: +221-33-962-64-91; Mobile: +221-77-244-46-11

Professional Positions

2009–present Principal Agricultural Economist, Africa Rice Center (AfricaRice), Saint-Louis, Senegal
2007–2009 Associate Agricultural Economist, Africa Rice Center (AfricaRice), Saint-Louis, Senegal
2006–2007 Postdoctoral Researcher, Ctr. for Agricultural & Food Economics, K.U.Leuven, Belgium
2002–2006 Doctoral Researcher, Ctr. for Agricultural & Food Economics, K.U.Leuven, Belgium
1999–2002 Researcher, Flanders Interuniversity Institute for Biotechnology (VIB), Ghent, Belgium

Education, Academic Degrees, Awards & Honours

2011 AfricaRice Board of Trustees commended the “innovative market-oriented value chain approach” developed at the Africa Rice Center [*Rice Today* (2011), vol. 10(2), p. 6]
2010 Two Best Paper Awards at the Africa Rice Congress, Bamako, 22–26 March 2010
2009 Two articles selected by the Belgian Association of Agricultural Economists (ABER/BVLE) for its Commemorative Book on the Most Valuable Scientific Achievements of the Last Decade: *Agricultural Economics in Belgium: Diversity and Dynamics*
2002–2006 Doctoral program in Bioscience Engineering; PhD in September 2006 with Doctoral Dissertation “Economic Impact of Agricultural Biotechnology in the European Union: Transgenic Sugar Beet and Maize”, K.U.Leuven, Belgium
1999 Xavier Bernard Award (€1,000) for Master Thesis, Academy of Agriculture of France
1997–1998 *Magna cum laude*: Master in Agricultural Development – Tropical Agriculture, Ghent University, Belgium & National Centre for Hot Climate Agronomic Studies (CNEARC), Montpellier, France
Summa cum laude: Master Thesis “Evolution of Sénoufo Farming Systems: The Case of Dikodougou, Northern Côte d’Ivoire”
1994–1997 *Cum laude*: MSc Bioscience Engineering in Agricultural Economics & Tropical Agriculture, K.U.Leuven, Belgium
Summa cum laude: Master Thesis “Structure, Conduct and Performance of the Marketing System of Maize and Groundnut in Côte d’Ivoire”
1992–1994 BSc Bioscience Engineering, K.U.Leuven, Belgium

Current Research Specialties

- ❖ Experimental Value Chain Research in Developing Countries
- ❖ *Ex ante* Impact Assessment under Imperfect Information
- ❖ Analysis of Farming & Marketing Systems
- ❖ Micro- & Macro-Economic Modelling under Uncertainty
- ❖ Economics & Policy of Agricultural Innovation
- ❖ Spatial Land Use Modelling & Economics of Coexistence of Agricultural Production Systems

Professional Responsibilities & Experience

- ❖ Development of Surveys, Experiments and Tools to Analyze and Develop Value Chains in Africa
- ❖ Development of Profiles, Crop Budgets, Farm Models & Technological Impact Assessments of Rice-based Production Systems in Key Ecologies along the Upland-Lowland Continuum in Africa
- ❖ Capacity Development & Knowledge Exchange with National & International Agricultural Research & Extension Systems, Universities, Advanced Research Institutes & Industry Partners
- ❖ Management & Implementation of International Research Projects
- ❖ Extensive Work Experience Abroad (Côte d’Ivoire, Benin, Senegal, The Gambia, Mauritania, Burkina Faso, Uganda, Hungary, Czech Republic, France & The Netherlands)
- ❖ Organization of International Conferences, Sessions & Workshops: ICABR 2001–2011, EAAE 2002 & 2008 Contributed Session, AAAE 2007 Post-conference Impact Assessment Workshop, Scientific

Committee Africa Rice Congress 2010, Stakeholders Workshop on Innovative Strategies for Tailoring Senegal River Valley Rice to Senegalese Consumer Preferences 2010, AAAE 2010 Mini-Symposium, Reviewer for IAAE-ICAE 2012

- ❖ Supervision of 8 PhD Students, 45 MSc Students, & 87 Trainees
- ❖ Publication of Research Results in Academic Journals & Communication to Policy Makers & Media.

Contributions to Resource Mobilisation

- ❖ €20,000: Monsanto Research Grant (2004)
- ❖ €25,000: European Commission SIGMEA Project (2004-2007)
- ❖ €23,000: Monsanto Research Grant (2005-2006)
- ❖ €90,000: Monsanto Research Grant *Diabrotica* Project (2008-2009)
- ❖ \$20,000: United States Fulbright Research Grant (2009-2010)
- ❖ €700,000: NWO-WOTRO “PARASITE” Project (2011-2015)
- ❖ €2,000,000: European Commission Incremental Attributed Research Funds (2010-2012)
- ❖ €111,000: ANR/ESCAPE Project (2010–2012)
- ❖ \$540,000: Syngenta Foundation Research Grant on Rice Value Chains (2011–2012)
- ❖ \$20,000: United States Fulbright Research Grant (2011-2012)

Review & Advisory Activities

- ❖ Associate/Guest Editor for *AgBioForum* and Referee for 25 Academic Journals (65 manuscripts): *American Journal of Agricultural Economics*, *European Review of Agricultural Economics* (3), *Food Policy* (10), *Journal of Agricultural Economics* (4), *AgBioForum* (20), *Journal of Applied Entomology* (2), *Agriculture and Human Values* (2), *Ecological Economics* (4), *International Journal for Agricultural Sustainability* (2), *Journal of Agricultural Science and Technology* (2), *American Journal of Experimental Agriculture*, *African Journal of Agricultural Research*, *African Journal of Food Science*, *Nature Education*, *Trends in Biotechnology*, *Environment and Development Economics*, *Quality Assurance & Safety of Crops & Foods*, *Environmental and Resource Economics*, *Journal of Environmental Management*, *Letters in Spatial and Resource Sciences*, *Environmental Biosafety Research*, *Sustainability*, *Natural Resources Forum*, *Vertigo – la revue électronique en sciences de l'environnement & Pedobiologia*
- ❖ Referee for International Food Policy Research Institute (IFPRI) HarvestPlus Working Paper Series
- ❖ Referee for Faculty of Agriculture, Food and Natural Resources, University of Sydney, Australia
- ❖ Referee for Department of Botany and Plant Science, National University of Ireland, Galway, Ireland
- ❖ Expert Input for Durabilis on the Development of a Rice Value Chain in Senegal
- ❖ Invited Expert for USAID West Africa Rice Value Chain Analysis
- ❖ Member of the International Scientific Committee (Panel of Experts) and Program Committee of the International Consortium on Applied Bioeconomy Research (ICABR)
- ❖ Invited Expert for Expert Group Meeting (EGM) “Development and Promotion of Regional Strategic Food and Agricultural Commodities Value Chains in Africa” organized by the Food Security and Sustainable Development Division (FSSDD) of the United Nations (UN), Economic Commission for Africa (ECA)
- ❖ Invited Expert for Comprehensive Africa Agriculture Development Programme (CAADP) Program Design and Implementation Workshop: Focus on Value Chains, Dakar, Senegal
- ❖ Invited Expert for Workshop of Regional Actors in the Rice Value Chain, Accra, Ghana, Organized by the USAID Expanded Agribusiness and Trade Promotion Project, Burkina Faso
- ❖ Invited Expert for European Commission Coordination Network on Coexistence (COEX-NET)
- ❖ Advisory Expert Input for QCanes BSES Limited, Indooroopilly, Queensland, Australia
- ❖ Invited Expert for European Commission Scientific Meeting “Economic Impact of Available GM crops: Methodologies and Results”
- ❖ Invited Expert for the European Commission’s 6th Framework Programme DIABR-ACT Project “Economics of *Diabrotica* Control”, Wageningen University
- ❖ Invited Expert at Delphi Panel “Biochemistry and the Future Role of Seaports”, Port of Rotterdam
- ❖ Referee for International Conferences (e.g. ICABR 2001–2011, Africa Rice Congress 2010)
- ❖ Referee for INRA’s “Programme National de Recherches sur les OGM” (ANR-OGM)
- ❖ Referee for Manshold PhD Program
- ❖ 2× Expert Evaluator for the European Commission’s 6th Framework Programme
- ❖ Consultancy for Monsanto on the Economics of Transgenic Crops in Hungary & the Czech Republic

Courses

- ❖ Professional Training on Experimental Auctions, Organized by the Africa Rice Center, Uganda
- ❖ Professional Training Course on Rice Value Chains, Organized by the Africa Rice Center, Saint-Louis
- ❖ Course for “Impact Assessment Workshop”, Organized by the Africa Rice Center, Benin
- ❖ Annual Course for “Social and Ethical Aspects of Biotechnology”, ULB, Belgium
- ❖ Annual Course “Development Theories and Reality” for Advanced Studies Master of Science in Tropical Agriculture, K.U.Leuven, Belgium
- ❖ Master Class “Analysis of the Economic Impact of Transgenic crops” for Course “PGMs: Enjeux et Risques”, Institut Supérieur Agricole de Beauvais, France, 8 June 2005
- ❖ Master Class “Five Myths around Genetically Modified Organisms and Developing Countries”, Ghent University, 19 November 2003

Language & Computer Skills

- ❖ Trilingual Fluency in Dutch, French & English; Basic Knowledge in German, Spanish & Wolof
- ❖ Excellent Proficiency in Microsoft Windows, Office, Statistica, Stata, @Risk, Mathcad, ArcView & Reference Manager

Professional Memberships (Intermittent)

International Association of Agricultural Economists (IAAE), American Agricultural Economics Association (AAEA), European Association of Agricultural Economists (EAAE), Agricultural Economics Society (AES), African Association of Agricultural Economists (AAAE), Belgian Association of Agricultural Economists (ABER-BVLE)

Miscellaneous

- ❖ Developer and manager of promotional music project on Senegal River Valley rice with Senegalese music band “Mama Sadio”, <http://www.facebook.com/mamasadio>
- ❖ Founder & Manager of *PhusionCulture Nu-Jazz Improvisation Collective*, <http://www.phusionculture.be>
- ❖ Musician: Piano (Music Academy Certificate), Organ, Saxophone & Various Ethnic Instruments
- ❖ Sports: Paragliding (Pilot Certificate), Scuba Diving (PADI Advanced Open Water Certificate), Skiing (Advanced Certificate), Climbing, Canyoning, Snowboarding, Inline Skating
- ❖ Travelling: Europe, Africa, Australia & USA
- ❖ Cultural Interests: Literature, Short films, Cabaret, Theatre, Live Concerts, History & Gastronomy
